GRIPPAZ® TRACTION OUTSOLE

Step confidently with GRIPPAZ® Traction Outsole Technology*. Formulated from a specially slip-resistant rubber Compound. It delivers excellent traction every step of the way.

*All shoes with GRIPPAZ® Traction significantly exceed the european EN 20347:2022 SR Standard

EVERCUSHION® BA

The open-cell polyurethane foam, combined with a moisture wicking and antibacterial fabric covering, ensures the ultimate climate control and general pleasant environment for the foot. As per all evercushion® footbeds, this offers permanent and long lasting cushioning through its special rebound properties.

BREATHACTIVE FUNCTIONAL LINING

The micro-channel system of this multi-layered lining provides a better breathability and moisture management during sweat-inducing work
