Caring

Your advantage

All ingredients have been carefully chosen for their quality, this specific application and minimum harm to the environment.

From the blossoms of a sunny summer garden to the freshness of eternal ice or simply the pleasantness of a neutral odourless environment - the Katrin soap fragrances will change your washroom to give it a *fragrant edge*. Choose between the pleasant scents of Sunny Garden and Arctic Breeze or Pure Neutral, without any fragrance.

Contains skin-mild ingredients that makes this soap especially suitable for frequent use.

Our sealed cartridge makes it possible to use the soap right to the end. Some residual soap (less than 2% of the original volume) may be caught in the folds of the empty cartridge.

Pump and cartridge are sealed through sonic welding preventing bacteria cross contamination.

Cleaning hands from medium dirt with only 1 portion.

Contains Glycerin, which leaves the skin well-moistened and soft. Dermatologically tested and approved.

Katrin Liquid Soap 1 000 ml

Product specifications

Regulatory compliance	The cosmetic soaps commercialised under the KATRIN brand are manufactured in accordance with good manufacturing practices (GMPs). The product has been assessed for safety according to Article 10 of the Cosmetics Regulation (EC). No.1223/2009 and are considered as safe for human health when used under normal or reasonably foreseeable conditions. No significant hazard to human health or the environment is expected. The soap complies with EU regulations on animal testing. The product is in conformity with the REACH regulation EC/1907/2006 and its amendments. According to Article 13 of Regulation (EC) No 1223/2009 of the European Parliament and of the Council on cosmetic products the products have been notified with CPNP. This ensures that relevant product information, without delay, is available electronically to poison centers or similar bodies, where such centers or bodies have been established by EU-member states. CPNP Registration no: 2960439
